OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, KOLAR.

894 *Notification No.* 788—29-30, *dated* 12*th April* 1930.

It is hereby notified for public information that in supercession of the existing Bye-laws regarding vaccination, the following revised Bye-laws shall be brought into force in this town. Any inhabitant of this town objecting to these revised shall send his objections, if any, in writing to the Kolar Town Municipal Office within a month from the date of first publication of the notification in the *Gazette*. Objections received after due date shall be rejected.

Model Bye-laws approved in Government Order No. L. 1155-56—Ml. 63-28-202, dated 13th August 1929.

1. The Municipality of Kolar shall be treated as one circle for the purpose of vaccination.

2. The Municipal Office shall be the Vaccination Depot.

3. There shall be affixed in a conspicuous place at the Depot, a Board showing in bold letters in English and Kanarese, the days and the hours at which vaccinations will be done at the Depot.

4. The District Medical Officer stationed in the town shall be the Superintendent of Vaccination.

5. The Municipal Council shall appoint a whole-time vaccinator who shall reside in the town. The midwife at the place (if trained in vaccination) shall be *Ex-officio* female vaccinator.

6. The President of the Municipal Council shall furnish the Superintendent with the following :—

(*a*) A list of unprotected persons, showing each house in the Municipal Area and the number of unprotected persons therein at the time of vaccination is declared compulsary in the Town.

(*b*) Thereafter within ten days of the close of each quarter, a list showing the number of unprotected immigrants into the town who have lived for longer than a month therein.

(*c*) A monthly statement showing the particulars of births in the town and of deaths amongst children.

7. The Superintendent shall maintain a Register showing every house with the names of the unprotected persons therein with a space for the addition from time to time of fresh unprotected cases. He shall keep this up-to-date and enter in the columns provided the result of vaccination. He shall be assisted in this work by the Municipal Vaccinator.

He shall also maintain a register of notices, of complaints lodged before the Magistrate and of the results of prosecutions. He may grant certificates under rules 4 and 9 of the Vaccination Rules.

8. Vaccination shall ordinarily be done at the Vaccination Depot, on all days, except Sundays and other authorised Public Holidays, between the hours 7-30 and 11.

9. The vaccinator shall, if so required by the head of the household, vaccinate the members thereof at his residence at such time and on such days as may be convenient to both, provided that during Epidemics of small-pox or when an outbreak of the disease is impending the Superintendent shall lose no time to vaccinate or re-vaccinate.

10. No fee shall be charged for the vaccination done at the Depot, and for vaccinations of woman and of children under two years done at private residences within the Municipal Limits. In all other cases, a fee of annas two per case and not exceeding four annas at a time per family may be charged.

11. The Vaccinator shall maintain a Vaccination Register and other returns in the forms prescribed by Government.

12. The Vaccinator shall submit before the 5th of the month, a monthly return of Vaccinations done in the preceding month to the Superintendent who shall forward it to the President of the Municipality by the 10th of the same month with his review on the progress of work.

13. The Superintendent shall bring to the notice of the President all cases of remissness on the part of the heads of house-holds calculated to impair the efficiency of the Vaccination Administration. The President shall take steps to deal with such cases.

14. The Municipal Councillors and the Municipal Executive Staff shall render every help to the Superintendent and the Vaccinator in the discharge of their duties.

15. The President, shall arrange for prompt inspection and verification of vaccinator's work

M. ABDUS SUBHAN,
President.
